MARBLE DISTILLING CO.

MARBLE VODKA	GINGERCELLO	GINGERCELLO RESERVE	MOONLIGHT EXPRESSO
A unique blend of Colorado soft white wheat & malted barley, our flagship 80 proof vodka provides a clean, yet flavorful, grain base with a creamy malted finish. Marble Vodka is copper pot distilled five times, each time passing over crushed Yule marble, adding a distinct minerality.	A modern adaptation of the Italian classic. Vodka is infused with fresh cut ginger in our copper pot still & rested for weeks on hand-zested lemons. Lightly sweetened with simple syrup made in-house, there is still a zing at 70 proof. Non-GMO. Gluten free.	Our 70 proof Gingercello barrel aged in once-used bourbon barrels for three months. An incredible complex flavor profile adding notes of bourbon & smokey oak to the classic Gingercello. Non-GMO. Gluten free.	A 52 proof dark & rich coffee liqueur, this family recipe utilizes locally roasted Guatemalan coffee & Ugandan vanilla beans mixed with cold brew made in-house. Hints of chocolate make for delicious hot & cold cocktails, or simply enjoy alone on ice. Non-GMO. Gluten free.

Marble Distilling Co. is a pioneer of sustainable distilling. Our motto "Drink Sustainably" is the core of our business. MDC recaptures 100% of its process water & reuses energy harvested from the distillation process to heat its facility, saving more than 4 million gallons of water annually & capturing for reuse, enough energy to heat 20 homes. All grains are sourced locally & all stillage from MDC's distillery is sent to local ranchers.

**MDC - Saving the planet one bottle of vodka at a time!**
